

Terms & Conditions

1. Introduction

These Terms and Conditions (“Terms”) govern access to and use of the website immtech.us (the “Platform”). By accessing or using the Platform, users agree to be bound by these Terms. If a user does not agree, they should discontinue use immediately.

The Platform may update these Terms at any time without prior notice. Continued use of the Platform following such updates constitutes acceptance of the revised Terms.

2. Eligibility

Use of the Platform is permitted only for individuals at least 18 years of age and capable of entering into legally binding agreements. By using the Platform, a user represents that they meet these requirements.

3. Services

The Platform provides tools and resources that connect users with independent professionals for immigration-related services. The Platform itself does not provide legal advice and is not a law firm. All legal advice or representation is offered solely by independent, licensed attorneys.

The Platform may include technology-based assistance such as automation tools, case organization, and communication support. These are for convenience and do not substitute for professional judgment.

4. Accounts and Access

Users may be required to create an account to access certain features. Users are responsible for maintaining the confidentiality of login information and for all activities under their account.

The Platform may suspend or terminate accounts for violations of these Terms or for any misuse of its services.

5. Payments and Refunds

Payment terms are displayed at the time of purchase. Charges may apply for specific services, premium features, or consultations.

If the Platform cannot provide a suitable attorney match or service as described, a full refund may be issued. Refund requests must be made within the specified time window stated at checkout.

All refunds are processed to the original payment method.

The Platform reserves the right to change pricing or discontinue offers at any time.

6. Communications

By submitting contact information, users consent to being contacted for updates, service information, or marketing communications. Users can opt out of non-essential communications at any time through provided links or by contacting support.

7. Third-Party Services

The Platform may include links or integrations with third-party tools and service providers. These are provided for convenience, and the Platform is not responsible for any content, terms, or policies of those third parties.

8. No Legal Advice

The Platform is not a law firm and does not provide legal advice, opinions, or representation.

All legal work and professional advice are provided exclusively by independent, licensed attorneys who are fully responsible for their services.

Use of the Platform does not create an attorney-client relationship.

9. Limitation of Liability

The Platform, its operators, and affiliates are not liable for any indirect, incidental, special, consequential, or punitive damages arising out of or related to use of the Platform or any associated services.

Users assume all responsibility for their use of the Platform and any decisions made based on information provided.

10. Intellectual Property

All content, design, and materials on the Platform — including text, graphics, and software — are owned or licensed for use by the Platform. Users may not reproduce, modify, or distribute any materials without prior written permission.

11. Privacy

The Platform collects and processes limited personal data as described in its Privacy Policy. Use of the Platform constitutes consent to such processing.

12. Termination

The Platform may suspend or terminate access to any user at any time, with or without cause, and without liability.

13. Disclaimer

All services and content are provided “as is” and “as available.” The Platform disclaims all warranties, express or implied, including warranties of merchantability, fitness for a particular purpose, and non-infringement.

14. Entire Agreement

These Terms constitute the entire agreement between the user and the Platform regarding the use of immtech.us and supersede any prior communications or understandings.
